HONORED PATIENT**

*Joel Duker*

Joel will turn 17 on May 29. He was diagnosed with acute lymphocytic leukemia (ALL) when he was 3½. He was treated for 38 months with chemo. Joel has been symptom free for about 10 years. He was treated at Children's Hospital, where his attending physician was on staff at Children's and Fred Hutch. Joel's parents are Joyce and Gary Duker, and he has one college-age sister, Gretchen.

**ABOUT THE VOLVO LEUKEMIA CUP REGATTA**

The Volvo Leukemia Cup Regatta is both a race and a fundraising competition. Sailors participating in the regatta are encouraged to collect contributions to help support research and patient aid programs. Last year, the Washington State Volvo Leukemia Cup Regatta attracted over 30 boats and raised over \$54,000!

Congratulations to 2001's top fundraiser in Washington State, Kirk and Heidi Hackler and the crew of *Due West!*
