2008 ♦ REGATTAS

Save the dates and join us this May to participate in the Sperry Top-Sider NOOD Regatta in Seattle, Washington. The newest addition to the NOOD schedule is set to take place on Puget Sound May 16-18 and will be co-hosted by the Seattle Yacht Club and the Corinthian Yacht Club. The Sperry Top-Sider NOOD Regatta looks to kick off the first Seattle NOOD with great representation and support from local and traveling one-design fleets. In addition to top notch race management and keen competition, look for plenty of food, refreshments, and entertainment too. See you there! **For more information about setting up a fleet and to get your class in on the action, contact Sailing World NOOD Regattas by emailing nood@sailingworld.com**
