# Puget Sound Spring Regatta (Big Boat)

April 18-19, 2015

## Notice to Competitors

April 17, 2015

The Sailing Instructions are changed as follows:

The course may be signaled with a shorthand course description that translates to a full course description as referenced in Sailing Instructions 8.1 and 8.2. The shorthand course descriptions shown below, when used as an entire course description on the course reader board, designate the courses as shown:

<u>Shorthand Course Description</u>	<u>Course</u>
A	S A F
A A	S A X A F
A B	S A X B F
B	S B F
B B	S B X B F
B A	S B X A F

Note that in these cases only the weather marks are listed, and the starting mark is S, the leeward mark if any is X, and the finishing mark is F.

For example, the course reader board may read "5 A A" which signals that class 5 has a course of "S A X A F".
