

Recommendations for Boats Arriving at Corinthian Yacht Club

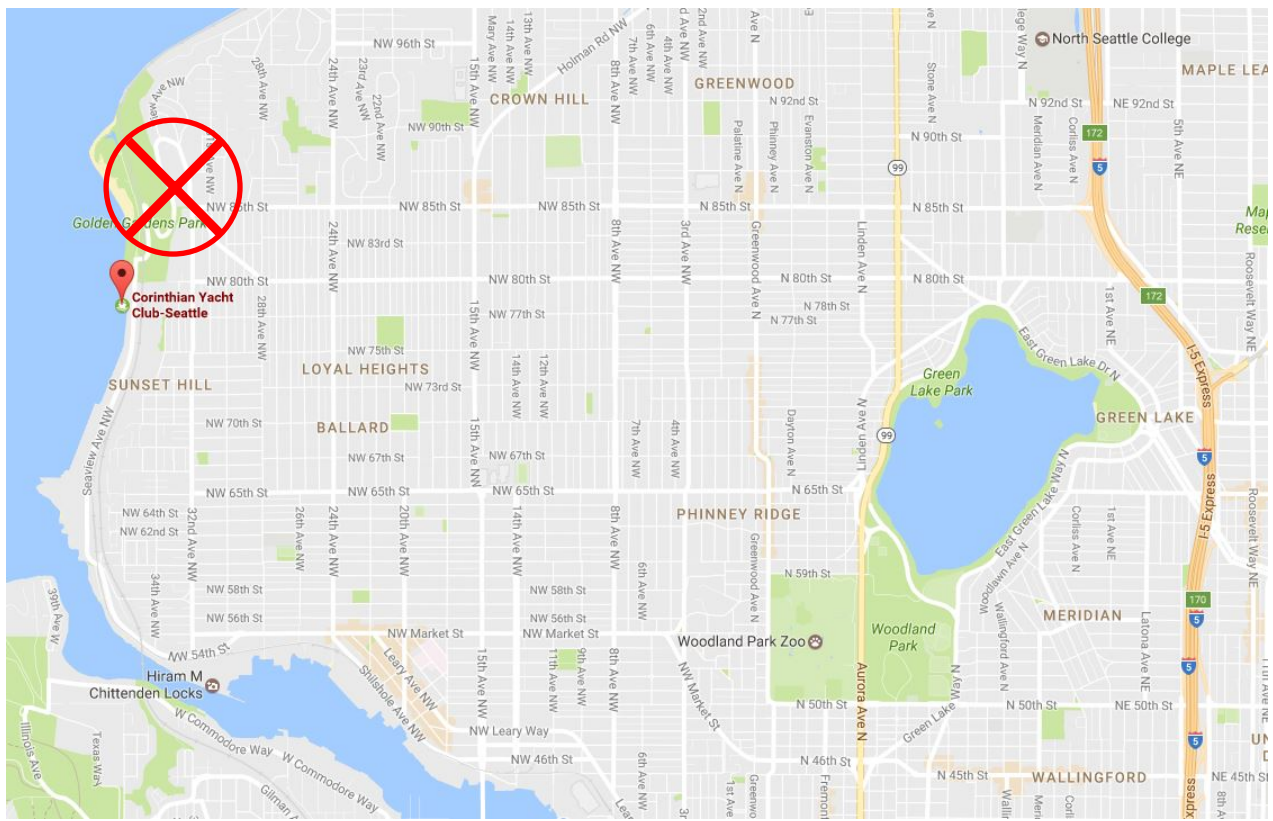

Corinthian Yacht Club: 7755 Seaview Ave. NW, Seattle, WA 98117

Please contact Melanie Edwards (206-852-5739) with any questions or issues.

Caution if towing a boat

Navigation systems may recommend the shortest route, via NW 85th Street down a winding hill towards Golden Gardens Park on Seaview Avenue NW. Do NOT take this route if you are towing a boat! There is a short tunnel at the end that is too low to fit a J24 on trailer.

Most any other route will work.

Park in designated area

Beginning Wednesday, May 17th, the north parking lot will be reserved for J24 boats and trailers. We need everybody to park in an actual parking spot, i.e., between the white painted lines. This will allow space for all boats, and for the measurers to efficiently maneuver while measuring and transit between boats. The north parking area is shown in the map below.

Do not park within the fenced dry-yard. This area is reserved for paying customers and may be locked at any time. You may haul your boat through the dry-yard to access the hoists.

Hoists and Moorage

There are 3 hoists for launching a J24, marked with a blue circle on the map above. The hoists must be operated by an authorized operator. Please check in at the registration desk before operating any of the hoists.

Fleet measurers and many people in the local fleet are authorized users. Please ask for assistance.
